CHASING THE EAGLE: From Dreaming to Achieving Success & Freedom - ISBN 978-0-9826147-1-6 (hardbound) \$20; ISBN 978-0-9826147-0-9 (paperback) \$15; ISBN 978-0-9826147-3-0 (audiobook) \$10; ISBN 978-0-9826147-2-3 (eBook) \$5.00.

In 1985, Cleveland, Ohio native James J. Williams relocated to the Nation's Capital in pursuit of success & freedom, but most importantly – fulfillment! His only possessions were a suitcase, a 1979 Chevette, toll fees and a dream! Ultimately this treasure hunt would take him more than 25 years to discover. There were equally as many defeats as there were victories; road blocks as there were building blocks; and most certainly failures & disappointments as there were successes & triumphs.

Now more than 25 years later, he has returned to share his treasure by launching his debut book, **CHASING THE EAGLE: From Dreaming to Achieving Success & Freedom**. Winner of several book awards, including *Best Inspirational*, *Best Book Cover* & *Best New Nonfiction*, this book is an **absolute must read!** The author takes you on his journey in a quest for success that would include:

- * **THE PURSUIT OF EXCELLENCE**
- * **THE IMPORTANCE OF NOT GIVING UP**
- * **THE FREEDOM OF GIVING BACK**

In the final analysis, this author applied a formula that ultimately became his recipe for having a great life:

SUCCESS + FREEDOM = FULFILLMENT

During these tough economic times, things are changing rapidly. There is no better time to capture the American dream than NOW! With opportunities abound, EXCUSES BEGONE! This award-winning author knows exactly what it means to grow up having less. If America would become the *land of milk & honey*, she certainly overlooked the east side neighborhood of Cleveland, Ohio where James grew up. Success and achievement were a day-to-day struggle for him in an environment riddled with poverty. Today, Mr. Williams proudly lives a different reality and shares his experiences to the reader who dares to dream BIG!
